

Ohmsett

The Ohmsett facility is located on the U.S. Naval Weapons Station Earle and is subject to the base's security procedures. Security is tight, and all visitors must be pre-cleared to get onto the base. Please contact Ms. Joyce Rosenberg at (732) 866-7182 or e-mail her at jrosenberg@ohmsettnj.com for clearance onto the base, and fax the following document to (732) 866-7105. **The security form must be submitted at least four (4) weeks prior to arrival. Ohmsett will not be responsible if you are denied access as a result of not submitting the security form by this deadline.**

In addition, you will need to bring a positive, original form of identification to check in at the front gate. Non-US citizens must bring a valid passport or work/visit Visa. You will also need a valid driver's license, proof of insurance for any motor vehicle you plan to drive on the base, motor vehicle registration card and/or rental car agreement. Please have all ID ready upon arrival; you will need to check in at the gate to get a visitor's pass.

Please note that due to U.S. Naval Weapons Station Earle Security regulations, non-U.S. citizens are not allowed to bring any photographic equipment onto the base.

Additional information such as driving instructions, hotel information, and facility information is located at <http://www.ohmsett.com>.
